

What are you doing to prevent Domestic Violence?

We counsel couples on how to resolve conflicts peacefully!

We take reports on Domestic Violence seriously - it's a crime!

We preach that happy families are non-violent!

We created a small fund to help women experiencing Domestic Violence!

We give out information on Domestic Violence to customers!

We encourage other men to be non-violent!

We women formed a group to help other women experiencing violence!

We have stopped harassing girls

I've committed to never use violence against my partner!
